By accessing this website and using our services, we assume you accept these Terms & Conditions in full. Do not continue to use ParseExtract.com if you do not accept all of the Terms & Conditions stated on this page.

1. Services Provided

ParseExtract.com provides APIs for parsing documents and webpages, and for extracting tables and structured data from various sources.

2. Free Trial

2.1. Trial Usage: We offer a free trial on our homepage to allow users to experience our services.

2.2. Data Collection during Free Trial: When you send your first request from the free trial section, we set a cookie on your browser. No other personal information is collected during the free trial.

2.3. Prohibition of Abuse: Abuse of the free trial, including but not limited to, using automated scripts for repeated trials or using multiple ip addresses to circumvent trial limitations, is strictly prohibited. We reserve the right to block access to our services for any user found to be abusing the free trial.

3. Account Registration and API Key

3.1. Account Creation: To obtain an API key and access our full services, you must sign up for an account.

3.2. Information Collected: During the sign-up process, we only collect your email address. Your password is saved securely and is not stored in plain text. No other personal data is collected during sign-up. If you use Google sign-in then only the email is stored with us and other details are not stored.

3.3. Account Security: You are responsible for maintaining the confidentiality of your account details, including your password, API keys. You agree to notify us immediately of any unauthorized use of your account.

4. Payments

4.1. Payment Information: When you make a payment for our services, we collect your name and address. This information is shared directly with our payment provider for transaction processing.

4.2. **Data Retention:** We do not store your name and address on our servers after the payment transaction is complete.

5. Data Processing and Storage

5.1. **File Uploads:** Any files you upload for processing via our APIs or the Free Trial are solely used for the purpose of fulfilling your request. These files are processed immediately and then deleted from our servers. We do not store your uploaded files.

5.2. **Output Data:** The output data generated from your API requests is not stored by ParseExtract.com.

5.3. **Download Links:** For certain API requests, we may provide a download link for the processed output. This download link is active for a limited period of 1 hour, after which the output data is permanently deleted from our servers.

5.4. **Third-Party LLM API Providers:** Please be aware that for certain processing tasks, we may send your input data to external Large Language Model (LLM) API providers. While we strive to work with reputable providers, **these third-party providers may use your data according to their own terms and conditions and privacy policies.** By using our services, you acknowledge and agree to this data transfer and processing by external LLM API providers.

6. Intellectual Property
